ESTATE VINEYARDS & WINEMAKING

Boordy farms estate vineyards in the rolling Piedmont north of the Chesapeake Bay and in the western Blue Ridge Province under the expert guidance of vineyard manager Ron Wates. Ron and his crew achieve optimal ripeness by controlling crop size, carefully adjusting the leaf canopy, selective hand harvesting, and sorting of the fruit.

Winemaker Jose Real blends innovative methods with traditional practices to bring out the full expression of our fruit. Crisp, delicate whites and rosés, and deep earthy reds are a testament to the skill of Jose and his team, and to the superb vineyard sites that Boordy farms.

Boordy is a five-time winner of the Maryland Governor's Cup, the state's top wine award, and has garnered critical acclaim and numerous medals in national wine competitions.
